Subject: Claiming exclusion to Meaningful Use Stage 1; Immunization Registries Data Submission.

This letter may be used by a practice wishing to claim exclusion to the Meaningful Use objective listed above. The Delaware Immunization Information System (IIS), also known as DelVAX did not have the capacity to receive immunization information electronically prior to October of 2012.

This certification may only be used by a practice that applied for exclusion from Stage 1 of Meaningful Use, (immunization registries data submission) during the time period prior to October 5, 2012.

If you require further clarification, please contact Jim Talbott, Immunization Program Manager at (302) 744-1181

Sincerely,

A handwritten signature in black ink, appearing to read "Martin J. Luta".
